

What is MAPT?

M.A.P.T. was organized in 1965 as a non-for profit 501c (6) association for pupil transportation professionals in the state of Missouri. The Association Membership is composed of Pupil Transportation professionals such as: Superintendents, Transportation Directors, Managers, Supervisors, Trainers, Fleet Superiors, Maintenance technicians and more sharing a common goal of transporting the students of Missouri safely, effectively and consistently, ensuring they have access to their educational setting - "We Connect What Matters"

Why should I Join MAPT?

As a member of MAPT you have access to resources, support and professional development to help support your efforts to ensure your students are afforded the safest, most efficient and consistent transportation possible and meet the needs of your community. As a member of MAPT will be supporting the strong bonds we have made with policy makers, regulators and our educational partners.
